Sir:

INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(d)

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(d), Applicant brings to the attention of the Examiner the documents listed on the attached IDS Form PTO/SB/08. This Information Disclosure Statement is being filed after a Notice of Allowance but before payment of the issue fee and is accompanied by a fee payment of \$180.00 as specified under § 1.17(p) and a certification as specified under § 1.97(e). Applicant respectfully requests that the Examiner consider the listed documents and indicate that they were considered by making appropriate notations on the attached IDS Form PTO/SB/08.

Each document listed in this Information Disclosure Statement was first cited or listed in a communication from the Japanese Patent Office in a counterpart foreign

application, and this Information Disclosure Statement is being filed within three months of the mailing date of that communication.

Copies of the listed foreign patent documents are attached.

JP-A2001-114326 - This document was listed in a Notice of Rejection issued November 1, 2005, by the Japanese Patent Office. Copies of the Notice of Rejection along with its English-language translation are being submitted herewith and may provide the relevance of this document.

JP-A S63-317468 - This document was listed in a Notice of Rejection issued November 1, 2005, by the Japanese Patent Office. Copies of the Notice of Rejection along with its English-language translation are being submitted herewith and may provide the relevance of this document.

Also submitted herewith is a copy of JP-A-2002-87479, which is referenced in the above-mentioned Japanese Patent Office Notice of Rejection. That reference is believed to be a counterpart of U.S. Patent Application No. 2002/0066750 A1, which was previously cited and considered by the Examiner.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claims in the application and Applicant determines that the cited documents do not constitute "prior art" under United States law, Applicant reserves the right to present to the U.S. Patent and Trademark Office the relevant facts and law regarding the appropriate status of such documents.

Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Information Disclosure Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
